

## Stem Ambassador Update

Volume 1- Issue 7

24 November 2009

### Ambassadors

A lot of recruitment has gone on over the past weeks and the Ambassador numbers are increasing. A number of activities have been taking place and we would be grateful if you could update details of any activities you have completed.

### Websites

Stem Scotland and Global Science will continue to be the main websites and mode of communications for signposting items.

### Events

**Clackmannan Science Fair in Alloa** – Good day at Alloa and thanks to the Ambassadors for helping out.

**National Chemistry Week** – A number of activities taking place over the area and The Ineos Lecture and Workshop for S5/6 pupils was a great success thanks to everyone for helping out. Any person who has snippets or photographs of their event, please let me know.

**Science in the Parliament** – This event took place on 11<sup>th</sup> November at Dynamic Earth and the new Stem Scotland stand and Ambassadors leaflets attracted a lot of attention.

**Moray House (Edinburgh)** – David Jamieson and Frank McKeever went along to speak to final years students about Ambassadors and help which is available to teachers. The day ended off with a wee challenge activity which was enjoyed by everyone.

**Head of Muir Primary School** – Requested a workshop using scuba boxes as part of a renewables & electricity project.

### Ambassadors Sign up Session

Next Session is Wednesday 24<sup>th</sup> November in Edinburgh, Apex House, at Haymarket Terrace 5–7pm.

## **Science Boxes Clubs**

The boxes and clubs start up will be starting soon and some schools will be looking for help to get up and running.

## **Science Squad**

In partnership with Forth Valley College, Eight High Schools in Falkirk will have a Forensics workshop. The year group will be S2 and the coverage will be around 2,000 pupils.

Dates will be January, February & April 2010. Volunteers are required and a number of Ambassadors have come forward.

Grangemouth Science Festival is a big event and any person interested should contact Alyson.

## **GO4 set**

The Edinburgh Launch will take place on 27<sup>th</sup> November at Heriot Watt University.

## **Borders Festival**

The event will be held between 10<sup>th</sup>-14<sup>th</sup> May 2010 in Hawick.

## **Knex Challenge**

The P6 challenge will be gearing up in January 2010.

## **Ambassadors Celebration Event**

Talks are ongoing to see if the Celebration event can be run during 2010 and we will update you about this in due course.
